Arriving by car

- We have free parking available at our centre. Press the call button at the barrier and our security colleague will grant you access. We have a small number of visitor spaces at the front of the building, but you can park anywhere.
- Press the entry button at the front door and a colleague will meet you at reception and you'll be issued with a visitor pass.
- You'll be taken through to our Event Space, where the presentation is going to happen.

Arriving by public transport

- There are numerous trains/buses that come into Dundee.
- From either station, there will be taxis available – the cost to get to our centre is around £12.
- The number 1 bus comes closest to the centre, you can see the route here:
